

Preowned Stock List

CNC Spark Eroders

Eurospark 850R 3 axis CNC		
Price £15,250.00		
Tank size L/W/H	850x600x300mm	
Workpiece weight, max	1000kgs	
Longitudinal travel (X)	400mm	
Lateral travel (Y)	300mm	
Quill travel (Z)	300mm	
Generator	50amps	
<i>Very rare! A modern CNC machine with a rise & fall tank</i>		

Eurospark ES750		
Price £8,250.00		
Tank size L/W/H	750x480x300mm	
Workpiece weight, max	300kgs	
Longitudinal travel (X)	300mm	
Lateral travel (Y)	200mm	
Quill travel (Z)	200mm + 200mm	
Generator	30amps	
<i>Original paint in good condition with 2 axis DRO</i>		

Hurcospark 900 2 axis NC		
Price £7,500.00		
Tank size L/W/H	874x480x220mm	
Workpiece weight, max	300kgs	
Longitudinal travel (X)	270mm	
Lateral travel (Y)	190mm	
Quill travel (Z)	265mm	
Generator	60amps	
<i>NC rise rise & fall tank machine with pitching capability</i>		

Eurospark ES630		
Price £7,250.00		
Tank size L/W/H	630x410x250mm	
Workpiece weight, max	300kgs	
Longitudinal travel (X)	250mm	
Lateral travel (Y)	150mm	
Quill travel (Z)	200mm + 150mm	
Generator	30amps	
<i>Original paint in excellent condition with 3 axis DRO.</i>		

Manual Spark Eroders

Eurospark ES1000		
Price £12,500.00		
Tank size L/W/H	1000x600x400mm	
Workpiece weight, max	800kgs	
Longitudinal travel (X)	400mm	
Lateral travel (Y)	300mm	
Quill travel (Z)	200mm + 200mm	
Generator	80amps	
<i>Fully refurbished with new generator and control panel</i>		

Hurco 580		
Price £4,950.00		
Tank size L/W/H	750x480x300mm	
Workpiece weight, max	300kgs	
Longitudinal travel (X)	300mm	
Lateral travel (Y)	200mm	
Quill travel (Z)	200mm + 200mm	
Generator	60amps	
<i>Original paint in good condition with 2 axis DRO</i>		

Eurospark ES1000		
Price £10,500.00		
Tank size L/W/H	1000x600x400mm	
Workpiece weight, max	800kgs	
Longitudinal travel (X)	400mm	
Lateral travel (Y)	300mm	
Quill travel (Z)	200mm + 200mm	
Generator	80amps	
<i>Original paint in good condition with 2 axis DRO</i>		

Eurospark 740		
Price £3,500.00		
Tank size L/W/H	550x350x250mm	
Workpiece weight, max	300kgs	
Longitudinal travel (X)	280mm	
Lateral travel (Y)	190mm	
Quill travel (Z)	300mm	
Generator	50amps	
<i>Rise & fall tank machine with sparking in X,Y & Z axes</i>		

Eurospark ES750		
Price £8,950.00		
Tank size L/W/H	750x480x300mm	
Workpiece weight, max	300kgs	
Longitudinal travel (X)	300mm	
Lateral travel (Y)	200mm	
Quill travel (Z)	200mm + 200mm	
Generator	60amps	
<i>Original paint in good condition with 3 axis DRO</i>		

Hurco 425E		
Price £3,250.00		
Tank size L/W/H	455x320x240mm	
Workpiece weight, max	270kgs	
Longitudinal travel (X)	260mm	
Lateral travel (Y)	130mm	
Quill travel (Z)	152mm	
Generator	30amps	
<i>Compact machine with integral 2 axis DRO</i>		

All machines are fully checked mechanically and electrically with parts replaced as required. Machines can be demonstrated or test work undertaken. Training can be arranged if required. All prices are ex works.

Preowned Stock List

Wire Eroders

Ona Prima E400		
Price £19,500.00		
Workpiece max	1200x880x400mm	
Workpiece weight, max	850kgs	
Travel X/Y/Z	600/400/400mm	
U&V travel	+/-60mm	
Taper angle max	+/- 13°/45mm	
Flushing method	Co-axial flushing	
<i>Original paint in good condition</i>		

Ona Prima E250		
Price £13,500.00		
Workpiece max	780x650x200mm	
Workpiece weight, max	350kgs	
Travel X/Y/Z	350/650/200mm	
U&V travel	+/-80mm	
Taper angle max	+/- 18°/45mm	
Flushing method	Co-axial flushing	
<i>Original paint in good condition</i>		

Fanuc Alpha 0A submerged cutting		
Price £16,500.00		
Workpiece max	400x300x150mm	
Workpiece weight, max	250kgs	
Travel X/Y/Z	300/200/400mm	
U&V travel	+/-25mm	
Taper angle max	+/- 10°/100mm	
Flushing method	Submerged	
<i>Original paint in good condition</i>		

All machines are fully checked mechanically and electrically with parts replaced as required. Machines can be demonstrated or test work undertaken. Training can be arranged if required. *All prices are ex works.*
